I agree to have this animal spayed/neutered by the spay/neuter date set forth below. I shall not allow a female to become pregnant and I understand that the shelter can demand return of said female to the shelter if I do not comply with this agreement. I understand this agreement is LEGAL and Binding.

**ABSOLUTELY NO DONATIONS WILL BE REFUNDED!**

1. I agree this animal will be spayed/neutered by a veterinarian and send PROOF of such to Carbon County Friends of Animals no later than \_\_\_\_\_.
2. To provide food, water, shelter and keep this animal indoors.
3. To provide veterinary care to prevent and cure illness. (*Carbon County Friends of Animals requires that you register this pet with your veterinarian and a first check-up visit occurs within 7 days of adoption.*) I understand that Carbon County Friends of Animals is NOT responsible for any veterinary or related charges that may be incurred in the examination or any treatment required.
4. To obey local laws regarding licensing and animal control.
5. To not sell, give away, or abandon this animal.
6. To accept this animal AS IS, and that Carbon County Friends of Animals is not responsible for underlying conditions of this animal.
7. To acknowledge that Carbon County Friends of Animals is in no way responsible for any damage which this animal may do to another person or property.
8. To provide access to the animal at the request of a representative of Carbon County Friends of Animals who may visit to check on the animal's welfare.
9. In the event the animal should have to be returned for whatever reason this form and any other paperwork should accompany the animal. **THERE MAY BE A WAITING PERIOD DUE TO SPACE AVAILABILITY.** There will be a requested donation for all animals returned after 30 days.
10. All adopters are responsible for notifying Carbon County Friends of Animals of change of address for follow-ups to spay/neuter, etc.
11. Carbon County Friends of Animals has done their best to insure that you have adopted a healthy animal. All felines are tested for Feline Leukemia Virus; vaccinated, wormed, and spayed/neutered if old enough at time of adoption or arrangements are made to do so at time of adoption.

**I agree to pay to Carbon County Friends of Animals a fine/penalty of \$300.00 if this animal is not spayed/neutered by said date. Such payment DOES NOT alter my requirement to complete spay/neuter as appropriate.**
